

Dr. Steven M. Polisuk DDS

Financial Policy

1. Payment is due at the time of service unless arrangements have been made in advance. We accept cash, check, Visa and MasterCard.
2. Remember that your insurance policy is basically a contract between you and your insurance company. As a service to you, we will file your insurance claim. If your insurance company does not pay the practice within a reasonable period, we will bill you for payment.
3. We have made prior arrangements with many insurance companies to accept assignment of benefits. We will bill them and you are required to pay a co-payment at the time of your visit.
4. Not all insurance plans cover all services. In the event your insurance plan determines a service to be "not covered" you will be responsible for the complete charge. Payment is due upon receipt of a statement from our office.
5. The benefits that are quoted by your insurance company are an estimate and are NOT a guarantee of payment. Co-pays and deductibles that we inform you of are due at the time of service.
6. The office of Steven M. Polisuk is not responsible for any changes that your employer and/or insurance company make.
7. We do our best to work with you and your insurance but it is impossible to know all of the companies and their policies.
